Board. Res. 15 Authorization to Committee on Events and Partnerships to Plan an End of Year Fundraising Event

RESOLVED,

That the Board authorizes the members of the Events and Partnerships committee to plan an event in the month of December to solicit donations to the organization. Such event may be held either virtually or in person, so long as proper conditions allow the safe transaction of the event. Authorization for the event shall be valid until December 31, 2021.

FURTHER RESOLVED, that such event shall attempt, to the largest extent possible, to avoid the need for supplementary appropriations which would require an additional intervening Board meeting.

FURTHER RESOLVED, that an affirmative vote of the Committee shall be required to authorize the details of any event and that their authorization of details shall not need the consent of the Board, but remain subject to the review of the Board.
